

Ajay Chauhan
For Junior Year Welfare Secretary

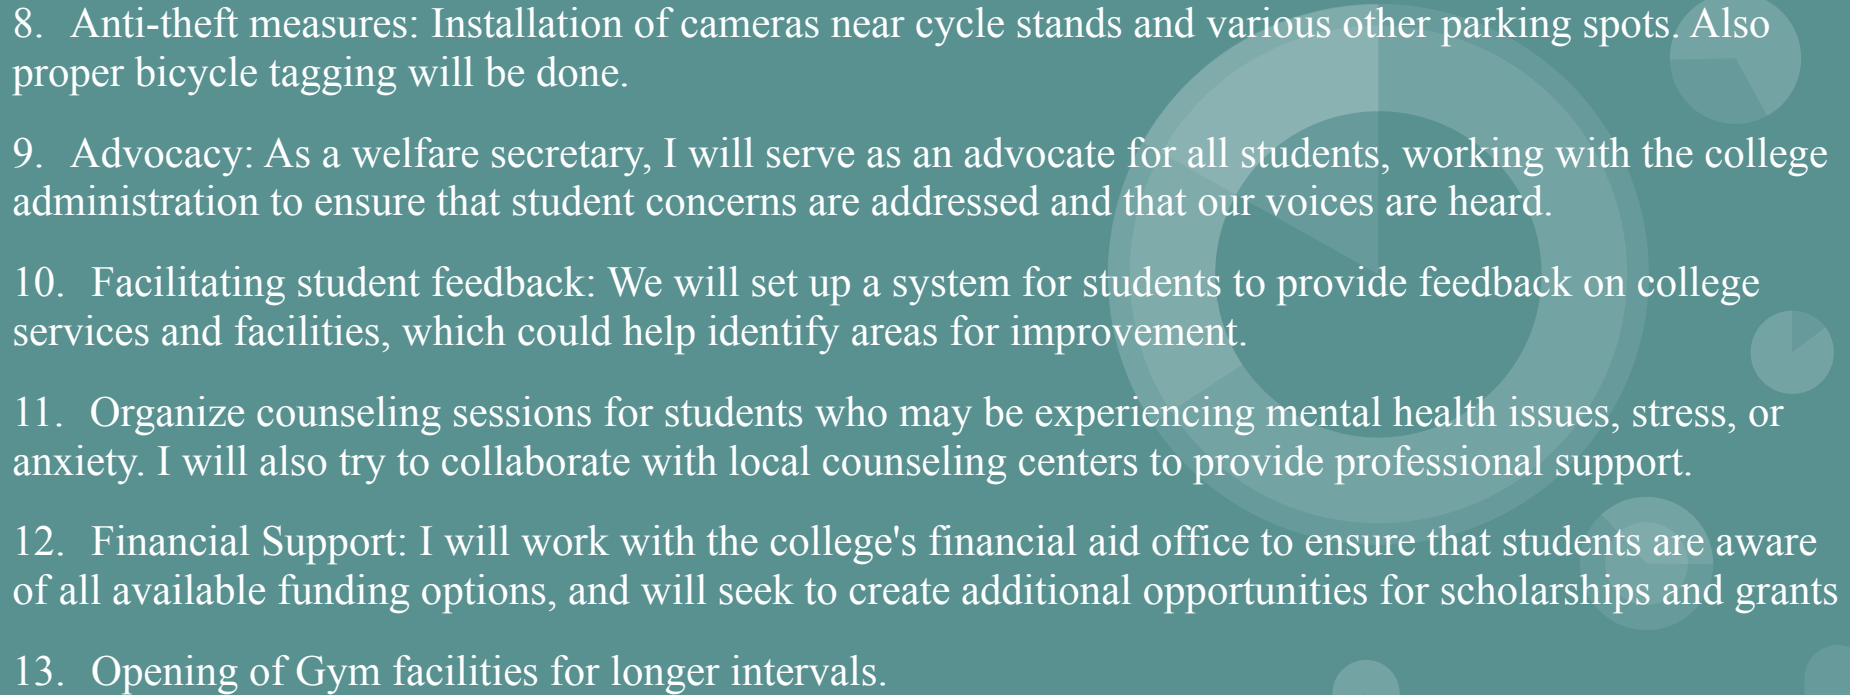

Vision:

As a college welfare secretary, my vision is to promote the well-being of all students in the college, fostering a culture of inclusivity, support, and personal growth. I strive to create an environment where all students feel valued and empowered to pursue their academic and personal goals. My vision focuses on addressing any barriers that may be preventing students from achieving their full potential, such as mental health issues, financial constraints, or social isolation. I aim to create a comprehensive support system that offers a range of services and resources that cater to the diverse needs of the student population. Ultimately, my vision is to create a college community that is healthy, vibrant, and thriving, where all students can feel confident and supported as they navigate their college journey.

Agenda:

1. Ensure that the lost and found app (Trac on) is properly used and everyone benefits from it .
2. Better Medical Facilities : Faster ambulance service. Also I will make sure that there is no delay whenever NSMCH comes into action. I ensure you the availability of health care store in the hostel area, can be used without any prescription from a doctor.
3. Opening of new general stores closer to hostel area so that everyone can rely on it for their daily needs.
4. Installation of vending machines near library and night Nescafe for everyone's convenience.
5. Increase in no. of books for various fields in library such as competitive exams
6. Transportation : Availability of e-rickshaw anytime to go anywhere throughout the campus.
7. Beautification of campus : cleaning of unnecessary grass around hostel areas and around roads. Also proper sanitation will be maintained throughout the campus.

- 
8. Anti-theft measures: Installation of cameras near cycle stands and various other parking spots. Also proper bicycle tagging will be done.
 9. Advocacy: As a welfare secretary, I will serve as an advocate for all students, working with the college administration to ensure that student concerns are addressed and that our voices are heard.
 10. Facilitating student feedback: We will set up a system for students to provide feedback on college services and facilities, which could help identify areas for improvement.
 11. Organize counseling sessions for students who may be experiencing mental health issues, stress, or anxiety. I will also try to collaborate with local counseling centers to provide professional support.
 12. Financial Support: I will work with the college's financial aid office to ensure that students are aware of all available funding options, and will seek to create additional opportunities for scholarships and grants
 13. Opening of Gym facilities for longer intervals.
